CASE 2's Helpers

Problem: To determine the identity of the persons aiding CASE 2.

1. The following extracts from message no. are pertinent to this:
  - a. MR. 1 (20 Sept 52): "AM LIVING WITH RELATIVES (KING RICH.)."
  - b. MR. 2 (30 Oct 52): "... AM LOOKING FOR ANOTHER PLACE WHERE I CAN SETTLE FOR A LONGER PERIOD OF TIME."
  - c. MR. 3 (14 Nov 52): "AM LIVING WITHOUT ANY CHANGES."
  - d. MR. 4 (15 Dec 52): "I AM LIVING WITH AN OLD FRIEND'S FRIEND, AND HE KNOWS YOU VERY WELL." (D. C. King)
  - e. MR. 5 (10 Mar 53): "NAME OF SOMEONE ONE HELPER, WHO KNOWS EVERYTHING ABOUT ME. I HAVE PERSONAL CONTACT WITH TWO MEN. (S. King, Earl Pearson, Luthers, Oyrins, and Dornins family are eliminated from this statement.)
  - f. MR. 7 (13 May 53): "NAME OF SOMEONE ONE HELPER, WHO KNOWS EVERYTHING ABOUT ME." \* Suer [ ]

2. From the above, the following becomes apparent:

- a. At first CASE 2 lived with his relatives in the Riga area; however, by his statement in message no. 2, it is considered this arrangement temporary and was looking for a more permanent arrangement.
- b. Between 14 November 1952 and 15 December 1952, CASE 2 moved to the residence of his mother's friend; he therefore must have considered this to be a more permanent arrangement, since he has not reported a change of address since this time.
- c. He states that he has one helper, who knows almost all of his background, and that he has personal contact with two men. The following contacts do not fit in here: EARL PEARSON, LUTHERS, OYRINS, AUXILIES, and the DORNINS family.)

INW.S

d. \*PASHNEKOV, although a contact of CAMUSO 2's, is not willing of his true status; furthermore, it is doubtful that PASHNEKOV was one of the men with whom CAMUSO 2 had personal contact, since he did not furnish us with a return address immediately.

e. CAMUSO 2 stated that the BARZINS family was dangerous, since the old man talked when he was drunk. Nevertheless, in order to know this, he would have seen the family for some time. Therefore, it is possible that one of his personal contacts may come from this family.

*no*  
Conclusions: CAMUSO 2 received his cached supplies shortly after he had reached Riga. At this time he was living with relatives, so it is entirely possible that the "person who knows pretty nearly all about me" is a relative of his.

However, since he moved to the residence of his mother's evidently friend and/considered this to be a permanent move, his mother's friend may know a great deal about him.

His personal contact does not include: PASHNEKOV, LUTERS, URI PIRSON, EX OCKERS, BUKHINS, or old Mr. BARZINS.
